All action fall limits are specified in MRA R. 420.305 and Sampling and Testing Technical Guidance for Marijuana Products Sample collection was performed per SOP-INTK-003. Unless otherwise stated all quality control samples performed within specifications established by the Laboratory. This product has been tested by Green Alliance Labs using valid testing methodologies and a quality system as required by Michigan state law. Values reported are related only to the product tested. Test results are confidential unless explicitly waived otherwise. Green Alliance Labs makes no claims as to the efficacy, safety, or other risks associated with any detected or non-detected levels of any compounds reported herein. The certificate shall not be reproduced except in full without the written approval of Green Alliance Labs. Uncertainty information is available upon request. Green Alliance Labs complies with ISO/IEC 17025 standards. Photo is of sample collected by the lab and may vary from final packaging.
